AUSTRALIAN CHAMPIONSHIPS OF 1959-60

The biennial 10,000 Metres Cross-Country Championship of Australia was held at the Oaklands Hunt Club, Greenvale, some 20 miles north of Melbourne, on August 22nd, 1959. The weather was fine and warm.

The biennial 10,000 Metres Track Walking Championship of Australia was conducted by the A.A.A. of New South Wales in fine and hot weather conditions at the Sydney Athletic Field on October 10th, 1959.

Both days of the Track and Field Championships of Australia, held on Leederville Oval, Perth, Western Australia on March 5th and 7th 1960 were favoured by fine though slightly oppressive weather. A variable wind on both days favoured competitors in the long jump and hop, step and jump, but times in the sprints and sprint hurdles were not appreciably affected. Times fell slightly below expectations, especially in the circular track events, and it may be that the tracks had not fully consolidated following re-turfing.

Leederville Oval was the scene on March 8th and 9th of the Decathlon Championship of Australia, which was revived after a lapse of 32 years.

AUSTRALIAN RANKING LISTS FOR 1959-60

The listings which follow cover the period from April 1st, 1959 to March 31st, 1960. Wind assisted performances in the events referred to in I.A.A.F. Rule 24 (4) (g) have been, as far as possible, excluded.

Each list shows the ten Best Performances in the event. The number of individual athletes may thus vary from one to ten, or possibly more. Sufficient further individual performances are listed to bring the number of athletes to (in most cases) at least twenty. Thus each list shows the Ten Best Performances and the Twenty (in some cases Ten) Best Performers in the event.
